Here's another service announcement related to the recent tornado in the Village of Dwight. Thanks for all of your help in getting the word out to our residents!

Anyone wishing to make a monetary donation to the victims of the Dwight tornado can make them to any of the four Dwight banking institutions:

- First National Bank
- Bank of Dwight
- Streator Onized Credit Union
- Centrue Bank

Victims of the tornado can apply to the Dwight Village Hall for any monetary assistance that is needed.

Mark Terry with the Illinois Department of Insurance will hold office hours at the Dwight Village Hall to assist any people with their insurance claims or if they have questions. Mr. Terry will be here from 8:00 a.m. to 5:00 p.m. on June 9th and 10th.

The American Red Cross will be going door to door in the affected areas to assess the needs of the victims of the tornados.
